

The latest up-to-date information on changes to the practice, tips, parent and community resources, and more.

HOURS OF OPERATION UPDATE

In order to allow for more availability for teletherapy appointments, the office will be closed for in-person speech therapy sessions on Tuesdays and Thursdays beginning August 1st. As we are an essential business, Ocean Beach Speech will remain open to provide services to clients who are not a good fit for teletherapy or whose needs are best met via in-person services. All in-person sessions will be provided by Jessica and will be on Mondays, Wednesdays, or Fridays.

UPDATED Ocean Beach Speech hours of operation are as follows:

Monday: In-Office 9AM-7PM

Tuesday: CLOSED- Teletherapy 8:30AM-6PM

Wednesday: In-Office 9AM-7PM

Thursday: CLOSED - Teletherapy 8:30AM-6PM

Friday: Teletherapy 8:30AM-10:30AM // In-Office 11:30AM-5PM

Saturday: Available upon request

Jessica will be available for teletherapy appointments only at the teletherapy times listed above. If you would like to schedule teletherapy sessions on different day, please let us know so we can connect you with Ravyn!

**We've made it
halfway through 2020...
congratulations to all!**

CANCELLATION POLICY

An updated cancellation policy will be sent out this month to address policy changes specific to COVID-19. These changes to our policy will provide a level of flexibility during these uncertain times while still addressing the need to keep staff in the loop in the event that a client is unable to attend their scheduled appointment.

MEET THE TEAM: QUESTION OF THE MONTH

What is one of your favorite digital resources for parents?
